## Mission Statement

The Steven Kincaid Memorial Foundation is dedicated to supporting compassionate individuals and charitable organizations, enabling them to be sources of hope in their communities, as was the dream of Steven Kincaid.

## About the Scholarship Fund

The Steven Kincaid Memorial Scholarship Fund was established to help dreams come true. Steven was working on completing his dream of being a career firefighter, when his life was cut short at the age of 21.

This scholarship fund is a way to continue that dream, by helping young people in our community receive the training necessary to help others.

We appreciate your support of this benefit golf tournament and assure you that all of the funds raised at this tournament will:

1. Provide scholarships to graduating seniors in public schools within Williamson and Travis Counties who plan on pursuing safety service careers, and/or
2. Be placed in reserve for the Lighthouse Project to assist families in need in our community. (To learn about the Lighthouse Project go to [www.stevenkincaid.com](http://www.stevenkincaid.com).)
